Thanks to everyone who entered our trial we hope you all had enjoyed it. The weather was kind, even providing us with a breeze that kept the midges away! Many thanks to Mr Robinson for allowing us the use of his land which makes an excellent trial venue.

Thanks to the team of volunteers who marked out an excellent trial, namely Richard and Dan, Stuart, Jack and Matthew, Stephen and Jack, David Baxter and Jonny Robinson.

Thank you to Will and Owen for taking entries and to Martha for feeding us all. As always we are very grateful to our observers without whom we wouldn't be able to run our trials. A special thank you goes to the couple who were on holiday from the NE (sorry I didn't get your names) who turned up especially to observe. Our next trial is on 1st November 2015 and details will be posted nearer the time.
