4 retired. What can you do with weather like that? Thanks to all who turned out today, hope you enjoyed as best as you could under the circumstances. A big thankyou to our hardy bunch of observers who braved the elements today, Sharon Quinn, Ian Reavley, Jim Knowlton, Alistair Dalton, Paul Battensby, Paul Baker, Peter Lacey, Martin Bell, Farmer John Graham, Geoff Young and Mick Brown but extra special thanks to Sam, Ella and Olivia who stuck to their sections despite being battered by the bitter cold and rain all day. Also thanks to the marking out team, Graham for sorting out the entries and finally many thanks to Andy Minns for donating to the observers raffle at our last trial, which was missed off those results
