3 retirements

Many thanks to our observers today, to Harry Craig for joining us on Friday to mark out and the landowners for the use of their land

The best two attempts only have been counted for the Easy Course runners, but on section four the first lap was counted regardless as two riders did clean it before it was altered

Our next trial wil be at Wards Hill on 18 November NOT 25 November as in the calendar, as we have swapped with Castleside
