

REGISTERING A SECOND HAND BIKE

We can supply you with a NOVA (Notification of vehicle arrivals) reference number which proves the age of the bike and that the VAT has been paid on the bike.

To enable us to do that we need the following -

- Bike model - **PLEASE SEND A PHOTO OF YOUR BIKE.**
- Year
- Engine size
- Frame number (located on the head stock) Stamped in, not on plate. **PLEASE SEND A PHOTO OF THE FRAME NUMBER.**
- Engine number (located on the right-hand side on the back of the engine, NOT THE SIDE). This is hard to see, you will need to clean and maybe use a torch.
- Your name and address

Please email all the relevant information including photos to charlie@beta-uk.com and we will help you identify what year your bike is.

If your bike is over 3 years old, you will need an MOT.

You do NOT require a “certificate of conformity” as all trials and Enduro bikes are EXEMPT from type approval in the UK. On the relevant part of the V55/5 (usually part 50) write- Exempt trials/Enduro bike.

Finally, you will require a V55/5 form from the post office or you can order one from the following link –

<https://www.gov.uk/government/publications/v3555-application-for-first-vehicle-tax-and-registration-of-a-used-motor-vehicle-v555>

You must post your completed form to DVLA, Swansea.

There is a charge of £25.00 Inc VAT so we will require your card details. Call 01756793521 for payment, please note that without payment we will not start the process. Open 8.00-5.00, closed 12.00-1.00 for lunch. We will start the process once we have received payment and all relevant details.
