A fine sunny day after a week of rain made conditions a lot easier at Dalton Woods on Sunday's Dave Gatenby Memorial Trial.

Congratulations to Mark Willis who, once again, took the Premier Award Cup.

Good to see some old familiar villains from the old days – Les Richardson and Tony Calvert. They can still ride a bit!

Well done, too, to young Tom Needham – a rider to watch.

Many thanks to all the observers, without whom there could be no Trial. Thanks also to Rob, Robert, Neil and Trevor, who helped mark out.

Dalton Woods is available for Trials practice throughout the year. Contact Croft Trials Club: Marty Wilson (01325 468955) or Graham Charlton (01642 730700).
