Loch Tay Trial Report.

Great Trial today at Loch Tay! Good, challenging sections for both A and B riders over a variety of ground with just enough water to make the burns flow. We had a cracking day in the sunshine finished off with warm soup and good chat! Thanks to Patrick and Gareth for organising and setting up the trial, with help from Douglas and to Fiona for the soup and hospitality. Well Done to all the riders and see you on the 2nd January at the Sair Heed!
