Thanks everyone for making this years event a great success. Lots of observers including a big group from the Clive Club, from South Shropshire and from the Midlands Centre in general, and plenty of others adding to the easy running of the trial. Thanks Julia Welch for working all day (and for a few days before) keeping everybody fed. Thanks as always to Till Hill Forestry (Simon Graham) for allowing us the continued use of this great piece of land. This was the last year for the Forest Trophy Trial. From next year, the event will be renamed "The Jean Williams Memorial Trophy Trial" and with Jean watching over it, stopping us messing up, hopefully it will continue it's success.
