Trial Details

Can be entered manually

The screenshot shows a mobile application interface for setting up trial details. At the top, there is a status bar with the time 08:58, signal strength, and battery level at 83%. Below the status bar is an orange header with a back arrow and the text 'Set up'. The main content area is white and contains several input fields with labels and values. The labels are in a small, light gray font, and the values are in a larger, bold, orange font. The fields are: 'Observer name' with value 'Alex', 'Trial name' with value 'Demo Trial 2', 'Email address' with value 'alex@alexsykes.net', 'Number of sections' with value '8', and 'Number of laps' with value '4'. At the bottom of the form, there is a checkbox labeled 'Reset' and a gray 'SAVE' button. The bottom of the screen shows a light blue navigation bar with three icons: a hamburger menu, a circle, and a back arrow.

The screenshot shows a mobile application interface for setting up trial details. At the top, the status bar displays the time 08:59, signal strength, and battery level at 83%. The app's header is a dark blue bar with a back arrow and the title 'Set up'. Below the header, the 'Settings' section is active, with a dropdown menu currently set to 'Manual Entry'. The form contains several input fields: 'Observer name' with the value 'Alex', 'Trial name' with the value 'Demo Trial 2', and 'Email address' with the value 'alex@demo.com'. A dropdown menu is open over the 'Trial name' field, showing four options: 'Demo Trial 1', 'Demo Trial 2', 'Last Trial', and 'Manual Entry'. At the bottom of the form, there is a checkbox labeled 'Reset' and a 'SAVE' button. The bottom of the screen shows the standard Android navigation bar with three icons: a square, a circle, and a triangle.
