

iBuilder Postcard Proof - Back

This PDF allows you to see your postcard in a printable final format and allows you to print a sample copy. We encourage you to print this PDF in order to properly proof your card. Please note that we print on high end professional printing systems so the quality of the final product will be far greater than what you print on a home inkjet or laser printer.

CAMPAIGN: stra schedule

PROOF CODE: CE2

[The Proof Created: Jan 15, 2008 8:23PM PST]
