Thanks to Graham and Barrie Smith for marking out and thanks to the following for observing and making the event possible:- Jeremy Hunt, Barrie Smith, John Glenn, Jill Buckle, Mike Washington, Jack Overend, Section 9, and Margeret Spencer,

Please try to bring an observer to events so as we don't have to pull sections up. It was suggested by two of today's riders - Michael and Andrew Todd, that the organisers sort out the question of observers prior to the event taking place. If the organisers could not find enough observers it was further suggested that the event should be cancelled and that everyone should be informed! I would like to take this opportunity to remind everyone that the organisers put on these events for the pleasure of those attending. We do not get paid, it is not a job and we already give up some considerable time to make these events possible. If you have a criticism regarding observers then bring one. If you don't like the sections then spend a Saturday marking out a trial...

We would also like to remind all riders that riding prior to the start of the event is not allowed. The officials will let you know when the event will start. In future you will be disqualified from the event if you are caught riding before you are officially started.
