Note OOC means 'out of Class'

Congratulations Neil on a fine win

Look on the website for championship positions with 2 rounds to go, still very competitive in most classes

A big thank you to all observers and helpers who contributed to another enjoyable event.

Next trial is on 25 November. As an experiment we are running a separate white route. This will be without observers

The aim is to make the white route more interesting, rather than riding round all the obstacles on the easy/hard routes

A second benefit will be a reduction in queues on all routes. Please come along and try it out and tell us what you think!!

see you there!!

Edgar Jones
