Note OOC means 'out of Class'

Congratulations Terry on a close win of our first trial of 2007.

A massive thank you to all helpers, who set out the course, take (116) entries and clear up afterwards and particularly the observers for standing out for over 4 hours, marking over 400 riders!

Sorry the results have taken so long. A number of riders have signed on for one number but ridden under another so they have taken some sorting out!

Just a note on the youth classes, there is a cup for each youth age group this year. Youths can ride up a class but not down. This means that say a Youth B riding white route will not get points but could still win the out of class award offered on the Easy, White and conducted routes.

Conducted route results will be published tomorrow.
