Thank you to all the observers that observed over both days & to everyone who attended the Camping & Presentation Weekend, also a big thank you to everyone who provided food to accompany the Clubs BBQ, it was unfortunate that we didn't have better support for the Saturday Night Presentation bearing in mind the incredible amount of work that goes into catering & organising a 2 day event. Any Championship winners that didn't attend prize giving their trophy's will be available to collect at the next Trial at Wright's Farm. Hopefully next year will attract a larger crowd for this very sociable event!
