## Jack frost Trial 24 February 2008

Well Done Adam and to all our youth class winners for excellent rides

A big thank you to all observers and helpers who contributed to another enjoyable event. Also to my wife Adele who does the results

It's great to see a record entry of 128 riders and we apologise to the Green route riders for the confusion over numbers.

This is still in the experimental fun route stage but we do hope that it will become established during the year.

Next trial is on 30 March 2008, see you there

Edgar Jones
