#### White Route

1st	83	Clifford Drury	Beta	Novice	7	14	1	10	7	18	10	0	12	4	<b>83</b>
-----	----	----------------	------	--------	---	----	---	----	---	----	----	---	----	---	-----------

Well 24 determined riders battled through the mud to finish Sunday's trial. Congratulations to Oliver Wareing and Nick Wilford on the hard route finishing on the same score, with Oliver taking the victory on 1's! Also well done to Nick's brother Craig Wilford for a clear win on the middle route, and congratulations to Clifford Drury for being the only white router to see it out to the end! It was a difficult trial but as the scores show by those who carried on it was a rideable trial, albeit quite testing! Thanks to Tim and Sam Gent, Keith and Kieren Radley and Dave Smith for setting out on Saturday, and to all the observers (quite a good turn out- lets try and keep it up!) who stuck it out in the cold to make the trial run smoothly. The next events are 8th Feb and 8th March at Riley's Railway, when hopefully the conditions will be better! Just looked at last January's trial results, where the marks dropped are almost identical to Sunday's!

We hope to see you all again next month, any queries please e-mail [loughboroughdmcc@live.co.uk](mailto:loughboroughdmcc@live.co.uk)
