A fantastic 55 riders turned out for a glorious day at the Riley's venue, providing us with a full house of observers, thanks for all your hard work it is much appreciated. Also thanks to the boys for setting out some excellent challenging sections. Well done to Sam Gent for the clear win on the hard route, and to his uncle, Bob Gent for taking the win on the middle route on his trusty Fantic. Trials veterans Tony Field and Malcolm Evely put in some excellent rides on the middle route

taking the 3rd and 4th places, and proving that skill doesn't decrease with age, well done chaps. Also well done to George Oram for taking the win on the white route. Can we just ask riders that bring their dogs to events to please ensure that they are kept on a lead at all times as it has been noted that they are causing a hazard and a complaint has been made. We hope to see everyone again at the next event, to be held at Riley's railway again on 4th April.
