Well the weather was lovely for an excellent day out at Riley's Railway, where 37 riders turned out to tackle the 8 tricky sections. Well done to Sam Gent for another excellent win on just 4 marks, pipping rival Rob Margetts to the post by just 1 dab! Also congratulations to dad Tim Gent, for keeping it in the family by taking the win on the middle route! Well done to sole youth rider on the white route, Kieran McDaid for taking the win, ahead of Martin Hazlewood, on his 1955 James, riding at Riley's for the first time in 30 years! Thanks to the hardy course setters for turning out in the rain yesterday and to the observers, particularly Mick Bone and his wife, who travelled from Peterborough again to help us out, and also Tony Wareing, who we are pleased to see is making a recovery, after breaking his leg at the previous Riley's trial in March, well done Tony! Next trial is 13th June, to be held at Riley's Railway, hope to see you all there!
