The folllowing Riders were all late entries, which I accepted in good faith. They were simply taking the numbers of riders who had cancelled before the start. Following 2 complaints/enquiries																																															
I sought the advice of the ACU Steward who advised that these riders should be classified as NON COMPETITIVE as their entries were after the closing date.

The folllowing Riders were all late entries, which I accepted in good faith. They were simply taking the numbers of riders who had cancelled before the start. Following 2 complaints/enquiries																																														
I sought the advice of the ACU Steward who advised that these riders should be classified as NON COMPETITIVE as their entries were after the closing date.

Our sincere thanks to everyone who helped today, without you it would not have been possible. Special thanks to our Observers.																																													
My apologies that I have not been able to put Club details onto the results sheet - I simply could not fit it on!
