Thanks to all who attended our multi class trial today.—sorry it turned out harder than intended due to the very heavy rain we all endured, which made all the rivers rise in a matter of minutes. Our next trial is the Revenge, starting at the end of Torver straight.on the 7th October, hope you will all come along and join us again. This is a adult centre round with no road work so all classes are welcome! Martha will be there also. Big thanks to the observers today: Ian, Chris, Harold, Dave, Ted and Steve .
