very sorry section 1 is missing from the results ,as after the trial it dissapeared!!! When it does turn up the results will be adjusted accordingly.many thanks to all observers and james,norman and wilky for marking out a fantastic course on a rare sunny day.also thank you to marther for turning up throughout the year at all our events which we always appreciate even on our lesser entry trials.also must not forget angus who does a sterling job taking money off most people before they start.. Our next trial is on Sunday 18th oct starting at 11am.starting in woodland ,and will be flagged from top of gawthwaite.hope to see you all again. Thanks ,james possy.
