Many thanks to all the observers for standing out in the atrocious conditions , well done to all the finishers . Sorry to the kids who only got 4 sections in , I know how disappointed you all were .

Due to the heavy rain the observers cards where difficult to read in places ,

I have done my best to read them if your scores aren't what you expected it is probably due to this .

Thanks to all helpers observers, riders, spectators and the Land owner for making this a really succesfull Knitsley Summer series .

Hope to see you all again in 2013
