Many thanks to the landowners, farmers, sheffield Council for allowing the event to take place.

Particular thanks go to the observers for making the event possible, it's a long day and we appreciate your help.

Apologies to all riders caught up as a result of the course marking that was removed. I hope you understand this was completely out of our control and that it did not spoil your day. Following discussion with the National Steward (who was caught up in the confusion) we have decided to not mark the course for next year.
