Big thank you to The Postlethwaites and Norman For marking out a high quality trial and of course to Alison Ellwood for allowing us the use of the land. The weather got out to be nice so the good length lap, was highly enjoyable. And last but certainly not least, thanks you Mather for feeding us all once finished, hope everyone had a good day, and hope to see you all at our next trial The Henry which starts at 11am at Torver Railway line on the 9th of June, Andrew
