Thank you to Threlkeld Quarry and Mining Museum for the use of the car park and access onto the fell. Thank you to Edward, Jonny, Richard, Stuart and the two Chris's for marking out an excellent trial in such appalling weather and thanks to Willie for obtaining permission from the land owners. Thank you also to Sue for taking entries and to Martha for providing the catering. As always we couldn't have a trial without our dedicated team of observer's-thanks guys. We hope you all enjoyed our trial. Our next one is on 1st December 2013 at Mungrisdale. Details will be posted nearer the time.
