Alick Sharp	61	Ebor	Beta	80	Cond		Conducted Training										

Thanks to the Landowner G. Dring & Sons for the use of the land, thanks to Roy Jarvis and Adam Milner for helping with the marking out yesterday and to Ian for walking round with me during the week plotting the sections.

Thanks to Shirley & Kelsey Williamson for secretarial duties.

Thanks to observers Mel Taylor, Jim Carr, Andy Wheatley, Pete Race, Margaret Myers, Kelsey Williamson, Shirley Williamson, Mark Williamson, Sue Austermuhle and Tonia Carr.

Thanks to George McGee for doing the conducted training session.

Sorry that the trial turned out harder than expected on all courses. The combination of the slippery river sections (un-used for over a year) and the ground softened up by overnight thunderstorms made previously rideable sections tough once the surface cut up.

Hull Auto Club is the oldest in East Yorks Centre, formed in 1903 originally using many venues in & around the Hull area. As land was lost near the Humber, the club venues moved into the Rosedale, Farnedale, Helmsley and Lockton areas of North Yorkshire and we only run trials in this area now. Most of the club officials live in the Ryedale or Scarborough area.

We would like to thank Scarborough & DMC and Guisborough & DMC for allowing us to post our results on their websites. Notices and Results will also be posted on Trials Central.

Our next Hull Auto Trial will be the Sir Arthur Atkinson Cup Trial on Sunday September 15th at 11.00 prompt. at Piethorn Farm, Helmsley flagged from the turning opposite the BATA petrol station on the Helmsley to Kirkbymoorside road. Piethorn Farm is just over 4 miles up the road through Carlton. It's an OPEN trial for all classes including conducted D Class.
