NEXT EVENT:- 10th February 2013 - 11.00am start at Manton Quarry - Triple route sections - All Classes

### **Leggotts Quarry**

You have probably experienced - That the Quarry attracts a lot of 'Cowboy' Motor Cycle activity. We are pursuing All Avenues to address the situation. The situation is very sensitive - please do not add to the problem by 'illegal' riding in the quarry.

SMCC have a Lease to hold upto 6 events a year at Leggotts Quarry (3 2013 events scheduled) We feel it is a Great Venue with loads of Potential, and are proposing to use the other 3 available days to have Working party/ Training days. The days will be arranged not to clash with local clubs events. If you would like to come along please email me at [garrods@ntlworld.com](mailto:garrods@ntlworld.com) - and i will keep you informed of the arrangements

Section Setting before the day of the Event is not an option - so again if you are available to help set out on the morning of our Trials - it would be very much appreciated.

All the best for 2013 - Regards Mark Garrod Secretary SMCC
