Many thanks to the Consett Club for the use of Butsfield for this event, particularly their marking team who put on an excellent event for us today

Thanks also to Geoff Young and Peter McIntyre for donating gifts for the observers

The proceeds will benefit the Great North East Air Ambulance, so many thanks to everyone for turning out today, and for the generous donations made by all to this invaluable charity  
Hopefully we will never need them, but it's comforting to know they will always be around if the need arises.

Finally thanks as usual to the observers for standing out there today, weather wasn't too bad after the frosty start.

All ties have been decided on the most cleans rule.

Ray Crinson
