Many thanks to the land owner and the observers who made the event possible

Next Seaton Delaval trial is on Boxing Day, and will be at Butsfield Quarry, courtesy of Consett Motor Club.

The Norman family were delighted at the turn out for Harry's trial today and pass on their thanks to the North East Centre riders, along with those that travelled from farther afield for their support this weekend.

Chris Hedley would also like to thank all those who have been in touch following his latest health set back, it's certainly keeping his spirits up
