Thanks to all who came to our trial today, we could not have asked for better weather!! As when we marked out yesterday the weather was awfull. Thanks to all observers who came, the land owner, Norman, James and Angus for marking out, and Mark Cooper for the use of his pants, as Norman made the black flags out of them!! Also a huge thanks to Mather for feeding us all! The section numbers which have question marks on, have them on because we are not sure wheather or not it is the correct section.
